

## ECC AMETHYST

**This vessel is the flagship and pride of the East Coast Charters Ltd fleet. This vessel is ideal as a dive platform due to being designed to meet DP2 specifications. The vessel can accommodate up to 12 passengers in individual berths as well as carry 2 x 20 ft containers. This diverse vessel would also be ideal for crew and cargo transfer, cable laying, vibro coring and as an ROV platform. This vessel will be available for contract from October 2011.**
